Explanation and effect of special resolution number one

The Companies Act requires shareholder approval of directors' fees in advance by way of special resolution.

These fees have been recommended by the Sabcap Remuneration Committee and are regarded as fair for the level and quality of services provided by the non-executive directors of the Company, in Board and Committee forums and generally during the year and relative to the size of the Company. The fees have been adjusted relative to the prior year after consideration of the benchmark fees survey by IoDSA. Attendance fees are not regarded as necessary or appropriate.

The passing of this special resolution number one will have the effect of approving the remuneration and the basis, therefore, of each of the non-executive directors of the Company for the financial year ending 31 December 2024. The above fee structure for non-executive directors will replace any fee structure which may have been agreed by a special resolution of the shareholders at a previous meeting of shareholders.

In terms of the Companies Act, 75% of the votes cast by shareholders present or represented by proxy at this meeting must be cast in favour of this resolution for it to be adopted.

4.12 Special resolution number two

Authority to provide financial assistance in terms of Section 45 of the Companies Act to any group company

“RESOLVED that the Board may, subject to compliance with the Company’s MOI and the requirements of the Companies Act and that the terms under which the financial assistance is proposed to be given are fair and reasonable to the Company) authorise the Company to provide at any time and from time to time during the 2 (two) years commencing on the date of adoption of this special resolution, direct or indirect financial assistance including without limitation by way of lending money, guaranteeing a loan or other obligation, securing any debt obligation or otherwise, as envisaged in Section 45 of the Companies Act, to related or inter-related companies or to members of the related or inter-related corporation, or to persons related to any such company or corporation provided that such financial assistance may be granted up to a limit of R5bn (five billion rand) on a cumulative and additive basis. This authority shall not extend beyond 2 (two) years from the date of this annual general meeting.”

Explanation and effect of special resolution number two

In terms of the Companies Act, the Board may authorise the Company to provide any financial assistance to related or inter-related companies which are group companies, including subsidiary companies of the Company, where it believes it would be beneficial to the Company to do so in future, subject to certain requirements set out in the Companies Act, including the Company meeting the solvency and liquidity tests as set out in the Companies Act. This general authority for a maximum specific amount is necessary for the Company to continue making loans to subsidiaries as well as granting letters of support and guarantees in appropriate circumstances. If approved, this general authority will expire at the end of 2 (two) years and the R5bn cap will apply cumulatively over that period. It is, however, the intention to renew the authority annually at the annual general meeting.

Notifications

Shareholders are hereby notified in terms of Section 45(5) of the Companies Act that the Board will pass the same resolution to take effect on the passing of this special resolution by shareholders and that the Board is satisfied that the Company meets the solvency and liquidity tests.

In terms of the Companies Act, 75% of the votes cast by shareholders present or represented by proxy at the meeting must be cast in favour of this special resolution for it to be adopted.

4.13 Special resolution number three

Authority to provide financial assistance in terms of section 44 of the Companies Act

“RESOLVED that the Board may, subject to compliance with the Company’s MOI and the requirements of the Companies Act and that the terms under which the financial assistance is proposed to be given are fair and reasonable to the Company) authorise the Company to provide at any time and from time to time during the 2 (two) years commencing on the date of adoption of this special resolution, direct or indirect financial assistance including without limitation by way of lending money, guaranteeing a loan or other obligation, securing any debt obligation or otherwise, to related or inter-related companies or to members of the related or inter-related corporation, or to persons related to any such company or corporation provided that such financial assistance may be granted up to a limit of R5bn (five billion rand) on a cumulative and additive basis. This authority shall not extend beyond 2 (two) years from the date of this annual general meeting.”

Reason for and effect of special resolution number three

The reason for special resolution number three is to obtain the mandatory approvals from the shareholders to enable the Company to provide any financial assistance (to the extent that it is construed to be financial assistance for the purposes of section 44 of the Companies Act) to any person/s for the purpose of or in connection with the subscription of any shares, option, or any securities issued or to be issued by the Company or a related or inter-related company as such term is defined in section 2 of the Companies Act) or for the purchase of any securities of the Company or a related or inter-related company in accordance with the provisions of section 44 of the Companies Act. The effect of special resolution number three, if approved, is that the Company will have the necessary authority to provide financial assistance, as envisaged in section 44 of the Companies Act, provided that the Board will not approve a resolution to authorise such financial assistance unless the Board is satisfied that:

- ◆ immediately after providing such financial assistance, the Company would satisfy the solvency and liquidity tests as contemplated in section 4 of the Companies Act;
- ◆ the terms under which such financial assistance is proposed to be given in terms of section 44 of the Companies Act are fair and reasonable to the Company; and
- ◆ it has ensured that any conditions and restrictions respecting the granting of financial assistance set out in the Company’s MOI have been satisfied.

The authority from the shareholders in this special resolution number three will allow the Company to give effect to the provision by the Company of any financial assistance (to the extent that such assistance constitutes financial assistance for the purposes of section 44 of the Companies Act).

In terms of the Companies Act, 75% of the votes cast by shareholders present or represented by proxy at the meeting, must be in favour of this special resolution for it to be adopted.
